

**National Accreditation
Body for Cold Chain
Management**

Vocational Course in Cold Chain Management (VC-CCM)

About NAB-CCM

National Accreditation Body for Cold Chain Management is first of its kind cold chain management ecosystem followed by cold chain community and in association with Academia, Industry and Government for offering education, training, awareness, certification, incubation and accreditation within the cold chain Industry.

The NAB-CCM organization ensures that businesses involved in the manufacture, storage, transportation, and handling of temperature-sensitive goods are properly trained and audited for best practices, to maintain product quality, efficacy and integrity of temperature-sensitive goods (such as food, medicines and vaccines), ensuring consumer safety and regulatory compliance.
